Objective

Seeking front-end development opportunities focused on building responsive web and mobile applications using React.js and React Native. Passionate about crafting intuitive user interfaces and delivering seamless user experiences.

Education

Antonine University, BTech Computer Science | 2022 - 2025

- Most Relevant Projects:
Programming III: Restaurant POS | **Technologies:** Java, JavaFX, MySQL | **Grade:** 98.6/100
Web Development I: Car Rental | **Technologies:** HTML, CSS, JavaScript | **Grade:** 100/100

Experience

Professional Computers – Byblos, Lebanon | Web Developer Intern | Jul 2024 – Sep 2024

- Front-End Development and UI/UX Design: Designed interfaces in Figma before coding and built responsive layouts using HTML5, CSS3, and JavaScript for a smooth user experience.
- Back-End Development: Developed backend features using .NET and C#, integrating SignalR for real-time communication.
- Database Design: Assisted in designing and optimizing databases for improved performance and data consistency.

RevUp Digital Marketing - Richmon Hill, Ontario, Canada | Web Developer | Aug 2023 – Sep 2023

- Front-End Development: Implemented modern HTML5, CSS3 and JavaScript, ensuring visual appeal, accessibility, and responsive design across devices.
- Integration of CRM GoHighLevel: Integrated GoHighLevel CRM into websites to improve efficiency.
- Collaboration and Communication: Worked with cross-functional teams and presented updates to stakeholders, ensuring project alignment and transparency.

Tarmim Construction – Dbayeh, Lebanon | Freelance Web Designer | Aug 2024

- Designed and developed responsive company website using HTML, CSS and Javascript

MAKTrading LB - Zgharta, Lebanon | Freelance Web Designer | Jun 2023

- As a freelancer, I designed the portfolio website for MAKTrading LB using HTML, CSS, and JavaScript, enabling users to discover more about their services.

Richmond Design - Lisburn, Northern Ireland, UK | Freelance Web Designer | May 2023 – Jun 2023

- Implemented HTML, CSS, and JavaScript to design a responsive company website.
- Maintained clear communication and a collaborative approach, actively listening to needs, addressing concerns, and exchanging ideas and feedback.

WrippleMedia- Zgharta, Lebanon | Freelance Web Designer | Jul 2023 – Aug 2023

- As a freelancer, I designed WrippleMedia's portfolio website, ensuring responsiveness and enhancing user experience, driving increased engagement.
